14 New Sec. 14. (a) The department of health and environment shall

32 (2) for filing each annual report, \$50; *or*

33 (3) for filing an amendment to the certificate of authority, \$10.

34 (b) Every health maintenance organization subject to this act shall  
35 pay annually to the commissioner at the time such organization files its  
36 annual report, a privilege fee in an amount equal to the following  
37 percentages of the total of all premiums, subscription charges or any other  
38 term that may be used to describe the charges made by such organization  
39 to enrollees: 3.31% during the reporting period beginning January 1, 2015,  
40 and ending December 31, 2017; and 5.77% on and after January 1, 2018.  
41 In such computations all such organizations shall be entitled to deduct  
42 therefrom any premiums or subscription charges returned on account of  
43 cancellations and dividends returned to enrollees. If the commissioner

1 shall determine at any time that the application of the privilege fee, or a  
2 change in the rate of the privilege fee, would cause a denial of, reduction  
3 in or elimination of federal financial assistance to the state or to any health  
4 maintenance organization subject to this act, the commissioner is hereby  
5 authorized to terminate the operation of such privilege fee or the change in  
6 such privilege fee.

7 (c) For the purpose of insuring the collection of the privilege fee  
8 provided for by subsection (b), every health maintenance organization  
9 subject to this act and required by subsection (b) to pay such privilege fee  
10 shall at the time it files its annual report, as required by K.S.A. 40-3220,  
11 and amendments thereto, make a return, generated by or at the direction of  
12 its chief officer or principal managing director, under penalty of K.S.A.  
13 2021 Supp. 21-5824, and amendments thereto, to the commissioner,  
14 stating the amount of all premiums, assessments and charges received by  
15 the health maintenance organization, whether in cash or notes, during the  
16 year ending on the last day of the preceding calendar year. Upon the  
17 receipt of such returns the commissioner of insurance shall verify such  
18 returns and reconcile the fees pursuant to subsection (f) upon such  
19 organization on the basis and at the rate provided in this section.

20 (d) Premiums or other charges received by an insurance company  
21 from the operation of a health maintenance organization subject to this act  
22 shall not be subject to any fee or tax imposed under the provisions of  
23 K.S.A. 40-252, and amendments thereto.

24 (e) Fees charged under this section shall be remitted to the state  
25 treasurer in accordance with the provisions of K.S.A. 75-4215, and  
26 amendments thereto. *Except as provided in section 8, and amendments*  
27 *thereto*, upon receipt of each such remittance, the state treasurer shall  
28 deposit the entire amount in the state treasury to the credit of the medical  
29 assistance fee fund created by K.S.A. 40-3236, and amendments thereto.

30 (f) (1) ~~On and after January 1, 2018,~~ In addition to any other filing or  
31 return required by this section, each health maintenance organization shall  
32 submit a report to the commissioner on or before March 31 and September  
33 30 of each year containing an estimate of the total amount of all premiums,  
34 subscription charges or any other term that may be used to describe the  
35 charges made by such organization to enrollees that the organization  
36 expects to collect during the current calendar year. Upon filing each March  
37 31 report, the organization shall submit payment equal to  $\frac{1}{2}$  of the  
38 privilege fee that would be assessed by the commissioner for the current  
39 calendar year based upon the organization's reported estimate. Upon filing  
40 each September 30 report, the organization shall submit payment equal to  
41 the balance of the privilege fee that would be assessed by the  
42 commissioner for the current calendar year based upon the organization's  
43 reported estimates.

1       (2) Any amount of privilege fees actually owed by a health  
2 maintenance organization during any calendar year in excess of estimated  
3 privilege fees paid shall be assessed by the commissioner and shall be due  
4 and payable upon issuance of such assessment.

5       (3) Any amount of estimated privilege fees paid by a health  
6 maintenance organization during any calendar year in excess of privilege  
7 fees actually owed shall be reconciled when the commissioner assesses  
8 privilege fees in the ensuing calendar year. The commissioner shall credit  
9 such excess amount against future privilege fee assessments. Any such  
10 excess amount paid by a health maintenance organization that is no longer  
11 doing business in Kansas and that no longer has a duty to pay the privilege  
12 fee shall be refunded by the commissioner from funds appropriated by the  
13 legislature for such purpose.

14       Sec. 17. K.S.A. 40-3213 is hereby repealed.

15       Sec. 18. This act shall take effect and be in force from and after its  
16 publication in the Kansas register.
