THIRTY-EIGHTH DAY

---

HALL OF THE HOUSE OF REPRESENTATIVES,  
TOPEKA, KS, Thursday, March 4, 2021, 1:00 p.m.

The House met pursuant to adjournment with Speaker pro tem Finch in the chair.

The roll was called with 123 members present.

Rep. Howard was excused on verified illness.

Rep. Seiwert was excused on excused absence by the Speaker.

Prayer by Chaplain Brubaker:

Almighty God,  
again, we thank you for a beautiful day.  
As the date reflects,  
help us to “March Fourth.”  
The past cannot be changed.  
We do not want to forget the past,  
but we want to learn from the past.  
We want to take full advantage of the present  
in order to prepare for the future.  
So, we take from Your Word these challenging words,  
“I press on toward the goal to win the prize  
for which God has called me heavenward in Christ Jesus.”  
We are to stand firm...letting nothing move us...  
always giving of ourselves fully  
to the work God has called us to,  
because we know that our work is not in vain.  
This I pray in Your Name, Amen.  
(Philippians 3:14; I Corinthians 15:58)

The Pledge of Allegiance was led by Rep. Probst.

There being no objection the following remarks of Rep. Blex are spread upon the Journal:

Body, I am bringing to you, for your consideration today a resolution honoring our Kansas Army and Air National Guard men and women. They answer the call of duty at home and abroad. Recently over 300 Kansas National Guard answered a moment's notice call to protect our nation's Capitol. Imagine the thought entering their mind making the decision to utilize, maybe deadly force against their fellow citizens, thank God that did not happen.

In many ways our citizen/soldiers have a more difficult time adjusting to the call of duty than our honorable soldiers that are on active duty. A long time ago while on active duty I was deployed for a combat tour in Vietnam for 14 months, but at least I had a 30 day notice to prepare.

I watched a young neighbor lady with 3 young children ages 6 months to 4 years trying to arrange for a 24-7 child care arrangement for very young children. Her husband was out of town on a construction job and could not be available for 2 weeks. Only the mothers in this body can understand the emotional stress of leaving your young children in care of someone else and not being able to say for sure when she would be back. She came to our house and we agreed to watch and care for her farm animals and pets. It was a small gesture on our part, but a big relief for her.

I watched her tearfully kiss and hug her small children and tell them bye, "Mommy will see you soon." It was comforting to the 4 year old, but the younger children did not comprehend. She knew in her heart she was not sure when the "see you soon" would be.

She loaded her gear and was off to defend our nation's Capitol, why, because she loved our country, believed in the American greatness and was willing to sacrifice the separation from her children and family to answer the call of duty. I know some of you in this chamber who have served can understand this feeling. For others than may have not had the privilege of serving in the military, I only ask that you support your friends and neighbors who answer that call!! That young lady was my granddaughter and I could not be more proud of her. Thank you Body, for your support!!

#### EXPLANATIONS OF VOTE

MR. SPEAKER: I voted NO on **HB 2058**. You have heard it before, the usual arguments used to justify purchasing and carrying a gun. They are, “any law-abiding citizen” and “I should have the right to protect myself and my family”. And it has worked. This propaganda has been used by the gun industry to instill fear that somehow someone is always out to hurt you and/or your family. This is a bad bill given our current political climate that perpetuates nationalism and racial division. It is a bad bill given the high rate of suicide among young people. – SUSAN RUIZ

MR. SPEAKER: I vote NO on **House Bill 2058**, a far-reaching and dangerous bill. Why would we allow 18, 19, and 20 year-olds to load and hide handguns that they can’t legally purchase at federally licensed gun dealers? Lowering the conceal carry permitting age puts young Kansans and their families at-risk. Crimes are more serious and deadly when guns are involved. Why did this bill stall in 2018? I remember, because I was here at the Capitol on Valentine’s Day when a 19-year-old former student shot and killed 17 children and teachers. If enacted, it won’t be a crime for 19-year-old former students to carry handguns into K-12 schools. – JO ELLA HOYE, LINDSAY VAUGHN, MARI-LYNN POSKIN, LINDA FEATHERSTON, CHRISTINA HASWOOD, JENNIFER DAY, RUI XU

MR. SPEAKER: I support the second amendment. However, **House Bill 2058**, as amended, contains a dangerous provision that allows teenagers to carry hidden, loaded handguns. This bill weakens our gun laws and creates loopholes in Kansas law that could allow 18-, 19-, and 20-year-olds to carry guns in K-12 schools without

committing a crime – which they are currently prohibited from doing. We should be doing everything we can to minimize risks to our children, not increase the chance of endangering their lives. This is a reckless bill. I hope that we will continue to work on legislation ensuring safe, responsible gun ownership. Therefore, I vote no on **House Bill 2058**. – VALDENIA WINN, STEPHANIE BYERS, JIM GARTNER

**HB 2085**, AN ACT concerning postsecondary education; creating the students' right to know act; relating to the publication of certain information regarding postsecondary education, was considered on final action.

#### EXPLANATION OF VOTE

MR. SPEAKER: I vote no on **Substitute for House Bill 2196**. For years, Republicans have shown no interest in helping working and unemployed Kansans. They have stripped funding from the Department of Labor, refused to work on legislation that would benefit workers and the unemployed, and continue to shift the blame for their mistakes. This bill cuts unemployment benefits and only complicates the process. The modernization piece is already in the Governor's recommendations. This bill will become a roadblock for Kansans that desperately need help. — TOM SAWYER, RUI XU, ANNIE KUETHER, ELIZABETH BISHOP, LINDSAY VAUGHN, CINDY NEIGHBOR, BARBARA W. #### EXPLANATION OF VOTE

MR. SPEAKER: I vote no on **HB 2227**. While I support the aspect of this bill which allows for cases to be heard virtually, I believe this bill gives the Chief Justice too much power. At the very least, I think there should be some sort of independent board put in place to review the Chief Justice's decisions. There needs to be checks and balances on the Chief Justice's power. — BRETT FAIRCHILD

#### EXPLANATIONS OF VOTE

MR. SPEAKER: I vote "Yes" on **HB 2416**. Violating Section 7 of the Kansas Constitution's Bill of Rights, and targeting Christendom, the Governor ordered churches closed and sought to regulate worship. Yet Section 7 has no pandemic or other emergency exception.

Also, what's the good of being "protected" from an emergency if your livelihood is arbitrarily deemed "nonessential" and, consequently, you cannot pay bills, you face losing your vehicle or your home (or both), you can barely feed your family, and you're unemployed (or underemployed) and you never receive your unemployment benefits?

**HB 2416** takes steps toward protecting Kansans from unconstitutional, overbroad, overbearing, and unnecessary gubernatorial emergency action. – JESSE BURRIS, CHARLES E. SMITH, SUSAN OLIVER ESTES, LEO DELPERDANG, TIM JOHNSON, AND PATRICK A. PENN

MR. SPEAKER: I vote “Yes” on **HB 2416**. Being cautiously optimistic about the outcome of the new KEMA restrictions, I do recognize the pertinent work that must be fashioned in the conference committee to further ensure the provisions and protections that confirm the *liberties of the people*. I do expect that the government that swore to support the *US Constitution* and *Kansas Bill of Rights* would be mindful that *Constitutional Liberties* must not be infringed upon ever again in the State of Kansas. “You ought to be extremely cautious, watchful, jealous of your liberty; for instead of securing your rights, you may lose them forever.” Patrick Henry. – TREVOR JACOBS

MR. SPEAKER: I vote “No” on **HB 2416** For the first time in Kansas, this bill would manage serious-but-non-emergency situations through an emergency management statute. This is a fundamental, perilous, and—as presently written—*permanent* mistake.

Experience is the surest standard to test this breathtaking shift of power from the people’s duly elected Legislature to the Governor and 7-member Legislative Coordinating Council.

For many trying months in 2020, this entrustment of power hindered the life, liberty, and pursuit of happiness of Kansans. Although undeniably well intended, it silenced 121 State Representatives and 37 State Senators. 96% of the Legislature could not govern.

With utmost care, I respectfully resist. – MARK SAMSEL

MR. SPEAKER: I vote no on **House Bill 2416**. The Legislature should be focused on helping Kansans that are suffering from the pandemic, but instead, this bill focuses on stripping the Governor’s power to effectively lead Kansans through a pandemic and other natural disasters. The Kansas Supreme Court has held that the Governor has executive authority forming the basis of the governor’s ability to deal with a statewide crisis. It does not rely on other legislative action to empower the governor with any executive authority. Although I believe in checks and balances of government, I strongly question whether or not this is legislative overreach. – JOHN CARMICHAEL, MIKE AMYX, JIM GARTNER, ANNIE KUETHER, RUI XU, LINDSAY VAUGHN, BRANDON WOODARD, CINDY NEIGHBOR, SUSAN RUIZ, TOM BURROUGHS, JENNIFER DAY, LINDA FEATHERSTON, CHRISTINA HASWOOD, PAM CURTIS, VALDENIA WINN, JOHN ALCALA, BARBARA W. BALLARD, SYDNEY CARLIN, STEPHANIE BYERS, VIRGIL WEIGEL, MARI-LYNN POSKIN, JO ELLA HOYE, TOM SAWYER, STEPHANIE CLAYTON

MR. SPEAKER, I vote no on **House Bill 2416**. The Legislature should be focused on helping Kansans that are suffering from the pandemic, but instead, Republicans have shown again that they are interested in just political gains. This bill would strip the Governor’s power to effectively lead Kansans through a pandemic and other natural disasters. Republican’s attempts to diminish the Governor’s power further solidifies the danger of them giving themselves unchecked, authoritative power. This is nothing less than a power grab. If it were a Republican on the second floor, I am certain that we would not be voting on a bill like this today. – ELIZABETH BISHOP, GAIL FINNEY, PONKA-WE VICTORS

MR. SPEAKER: I support **HB 2416** as a thoughtful freedom loving reform of the Kansas Emergency Management Act. The experience of Americans across this land in 2020 is that governmental overreach in times of a declared emergency is a real threat to our livelihoods and our liberties. It was only because we had in place the limited checks and balances of HB 2416 that Kansas citizens were protected from the governmental outrages seen in California, New York, Michigan and other states. Eternal vigilance remains the cost of protecting our rights as citizens. – PAUL WAGGONER

MR. SPEAKER: I vote “present” on **HB 2416** because I believe that although we must curb government overreach during COVID, we have much work to do regarding upholding the liberties of Kansans. Citizens should not have to sue their government incurring costs or stress to simply have rights protected. I hope the conference committee considers adding language allowing freedom to nursing home residents to see their families during crisis and never have their right to life, liberty and the pursuit of happiness INFRINGED upon regardless of emergency. I look forward to voting “yes” on this bill once the committee provides legislation with teeth to protect LIBERTY. – TATUM LEE-HAHN

(a) Except as otherwise provided by subsection (b), (d) or (h), all revenue received by the director of taxation from a countywide retailers' sales tax shall be apportioned among the county and each city located in such county in the following manner:

(1) ~~One-half~~  $\frac{1}{2}$  of all revenue received by the director of taxation shall be apportioned among the county and each city located in such county in the proportion that the total tangible property tax levies made in such county in the preceding year for all funds of each such governmental unit bear to the total of all such levies made in the preceding year; and

(2) ~~one-half~~  $\frac{1}{2}$  of all revenue received by the director of taxation from such countywide retailers' sales tax shall be apportioned among the county and each city located in such county, first to the county that portion of the revenue equal to the proportion that the population of the county residing in the unincorporated area of the county bears to the total population of the county, and second to the cities in the proportion that the population of each city bears to the total population of the county, except that no persons residing within the Fort Riley military reservation shall be included in the determination of the population of any city located within Riley county.

All revenue apportioned to a county shall be paid to its county treasurer and shall be credited to the general fund of the county.

(b) (1) In lieu of the apportionment formula provided in subsection (a), all revenue received by the director of taxation from a countywide retailers' sales tax imposed within Johnson county at the rate of 0.75%, 1% or 1.25% after July 1, 2007, shall be apportioned among the county and each city located in such county in the following manner:

(A) The revenue received from the first 0.5% rate of tax shall be apportioned in the manner prescribed by subsection (a); and

(B) the revenue received from the rate of tax exceeding 0.5% shall be apportioned as follows:

(i) ~~One-fourth~~  $\frac{1}{4}$  shall be apportioned among the county and each city located in such county in the proportion that the total tangible property tax levies made in such county in the preceding year for all funds of each such governmental unit bear to the total of all such levies made in the preceding year;

(ii) ~~one-fourth~~  $\frac{1}{4}$  shall be apportioned among the county and each city located in such county, first to the county that portion of the revenue equal to the proportion that the population of the county residing in the unincorporated area of the county bears to the total population of the county, and second to the cities in the proportion that the population of each city bears to the total population of the county; and

(iii) ~~one-half~~  $\frac{1}{2}$  shall be retained by the county for its sole use and benefit.

(2) In lieu of the apportionment formula provided in subsection (a), all money received by the director of taxation from a countywide sales tax imposed within Montgomery county pursuant to the election held on November 8, 1994, shall be remitted to and shall be retained by the county and expended only for the purpose for which the revenue received from the tax was pledged. All revenue apportioned and paid from the imposition of such tax to the treasurer of any city prior to the effective date of this act shall be remitted to the county treasurer and expended only for the purpose for which the revenue received from the tax was pledged.

(3) In lieu of the apportionment formula provided in subsection (a), on and after the effective date of this act, all moneys received by the director of taxation from a countywide retailers' sales tax imposed within Phillips county pursuant to the election held on September 20, 2005, shall be remitted to and shall be retained by the county and expended only for the purpose for which the revenue received from the tax was pledged.

(c) (1) Except as otherwise provided by paragraph (2) of this subsection, for purposes of subsections (a) and (b), the term "total tangible property tax levies" means the aggregate dollar amount of tax revenue derived from ad valorem tax levies applicable to all tangible property located within each such city or county. The ad

valorem property tax levy of any county or city district entity or subdivision shall be included within this term if the levy of any such district entity or subdivision is applicable to all tangible property located within each such city or county.

(2) For the purposes of subsections (a) and (b), any ad valorem property tax levied on property located in a city in Johnson county for the purpose of providing fire protection service in such city shall be included within the term "total tangible property tax levies" for such city regardless of its applicability to all tangible property located within each such city. If the tax is levied by a district which extends across city boundaries, for purposes of this computation, the amount of such levy shall be apportioned among each city in which such district extends in the proportion that such tax levied within each city bears to the total tax levied by the district.

(d) (1) All revenue received from a countywide retailers' sales tax imposed pursuant to K.S.A. 12-187(b)(2), (3)(C), (3)(F), (3)(G), (3)(I), (6), (7), (8), (9), (12), (14), (15), (16), (17), (18), (19), (20), (22), (23), (25), (27), (28), (29), (30), (31) and (32), and amendments thereto, shall be remitted to and shall be retained by the county and expended only for the purpose for which the revenue received from the tax was pledged.

(2) Except as otherwise provided in K.S.A. 12-187(b)(5), and amendments thereto, all revenues received from a countywide retailers' sales tax imposed pursuant to K.S.A. 12-187(b)(5), and amendments thereto, shall be remitted to and shall be retained by the county and expended only for the purpose for which the revenue received from the tax was pledged.

(3) All revenue received from a countywide retailers' sales tax imposed pursuant to K.S.A. 12-187(b)(26), and amendments thereto, shall be remitted to and shall be retained by the county and expended only for the purpose for which the revenue received from the tax was pledged unless the question of imposing a countywide retailers' sales tax authorized by K.S.A. 12-187(b)(26), and amendments thereto, includes the apportionment of revenue prescribed in subsection (a).

(e) All revenue apportioned to the several cities of the county shall be paid to the respective treasurers thereof and deposited in the general fund of the city. Whenever the territory of any city is located in two or more counties and any one or more of such counties do not levy a countywide retailers' sales tax, or whenever such counties do not levy countywide retailers' sales taxes at a uniform rate, the revenue received by such city from the proceeds of the countywide retailers' sales tax, as an alternative to depositing the same in the general fund, may be used for the purpose of reducing the tax levies of such city upon the taxable tangible property located within the county levying such countywide retailers' sales tax.

(f) Prior to March 1 of each year, the secretary of revenue shall advise each county treasurer of the revenue collected in such county from the state retailers' sales tax for the preceding calendar year.

(g) Prior to December 31 of each year, the clerk of every county imposing a countywide retailers' sales tax shall provide such information deemed necessary by the secretary of revenue to apportion and remit revenue to the counties and cities pursuant to this section.

(h) The provisions of subsections (a) and (b) for the apportionment of countywide retailers' sales tax shall not apply to any revenues received pursuant to a county or countywide retailers' sales tax levied or collected under K.S.A. 74-8929, and

amendments thereto. All such revenue collected under K.S.A. 74-8929, and amendments thereto, shall be deposited into the redevelopment bond fund established by K.S.A. 74-8927, and amendments thereto, for the period of time set forth in K.S.A. 74-8927, and amendments thereto.";
