Loving and Merciful God,
Thank You for the privilege of another day of life.
Today I ask that You show mercy upon our leaders
as they continue to face the many challenges.
As they continue the pace of their schedules
and juggle their obligations,
help them to find their strength and encouragement in You.
Help them to walk in Your light.
May they place their trust in You and allow You to guide their decisions.
Keep them in Your care, confident of Your watchfulness.
We thank You for the way you are using them
in working together on key decisions for our state.
Continue to show mercy and grace to them.
In Your Name I pray, Amen.

The Pledge of Allegiance was led by Rep. Thompson.

INTRODUCTION OF BILLS AND CONCURRENT RESOLUTIONS

The following bill was introduced and read by title:

HB 2454, AN ACT concerning crimes, punishment and criminal procedure; relating to the criminal discharge of a firearm; creating additional violations for discharges near a school and certain projectiles; amending K.S.A. 2020 Supp. 21-6308 and repealing the existing section, by Committee on Federal and State Affairs.

MESSAGES FROM THE SENATE

Announcing the Senate here with transmits the veto message from the Governor on **SB 55**, AN ACT concerning education; relating to student athletes; creating the fairness in women's sports act; restricting participation on women's teams to female students;

providing a cause of action for violations, which was received on April 22, 2021 and read on May 3, 2021.

REGARDING VETO ON SENATE BILL 55

This legislation sends a devastating message that Kansas is not welcoming to all children and their families, including those who are transgender – who are already at a higher risk of bullying, discrimination, and suicide.

As Kansans, we should be focused on how to include all students in extracurricular activities rather than how to exclude those who may be different than us. Kansas is an inclusive state and our laws should reflect our values. This law does not do that.

This bill would also undoubtedly harm our ability to attract and retain businesses. It would send a signal to prospective companies that Kansas is more focused on unnecessary and divisive legislation, than strategic, pro-growth lawmaking.

Therefore, under Article 2, Section 14(a) of the Constitution, I hereby veto **Senate Bill 55**.

Date: April 22, 2021

By The Governor

LAURA KELLY

A motion was made that **SB 55** be passed notwithstanding the Governor's veto. By a vote of 26 Yeas and 14 Nays, the motion failed to receive the required two-thirds constitutional majority of the elected members or appointed to the Senate and the veto was sustained.

Announcing passage of **HB 2187**, as amended.

Announcing passage of **HB 2313**, as amended by **S Sub HB 2313**.

Announcing passage of **Sub SB 286**.

INTRODUCTION OF SENATE BILLS AND CONCURRENT RESOLUTIONS

SB 286.

INTRODUCTION OF ORIGINAL MOTIONS AND HOUSE RESOLUTIONS

HR 6017—A RESOLUTION supporting the full development, funding and implementation of the Heartland Flyer Extension between Oklahoma City, Oklahoma, and Newton, Kansas.

WHEREAS, The Kansas Secretary of Transportation, Julie Lorenz, presented to the 2021 Passenger Rail Coalition her discussion with Oklahoma Secretary of Transportation, Tim Gatz, about both Kansas and Oklahoma's desire to have Amtrak's Heartland Flyer route extended north, through Oklahoma and Kansas, which, however, would require federal funding for both states to develop the passenger rail corridor; and

WHEREAS, At the Passenger Rail Coalition Forum held on February 10, 2021,

Amtrak presented a proposal for the state of Kansas to request 100% federal funding for the Heartland Flyer Extension capital costs, as well as three to five years of operational costs, through the federal reauthorization of the Surface Transportation Act; and

WHEREAS, Amtrak has approached the state of Kansas about entering into a multi-state operational partnership for extending the Heartland Flyer, with connecting service between Amtrak's Southwest Chief and Texas Eagle; and

WHEREAS, Amtrak has received a Reauthorization Act request from the Midwest Interstate Passenger Rail Commission concerning the incorporation of additional frequencies and a second train for this corridor, specifically, a daytime frequency that will operate between Fort Worth, Texas, and Kansas City, Missouri; and

WHEREAS, The Kansas Passenger Rail Service Development Plan of 2010 includes an option for additional frequencies and a second train, known as Alternative #3, to transit within the Heartland Flyer and Southwest Chief corridors; and

WHEREAS, An accompanying improvement of ridership and financial performance would be realized by an extension and second frequency of the Heartland Flyer; and

WHEREAS, The Amtrak Southwest Chief and Sunset Limited routes would realize a dramatic increase in ridership and financial performance from a two-frequency Heartland Flyer connection with hubs in Newton, Kansas, and Fort Worth, Texas; and

WHEREAS, Ridership on the Heartland Flyer Extension from Oklahoma City, Oklahoma, to Newton, Kansas, is anticipated to double when connected with the Southwest Chief in Newton, Kansas; and

WHEREAS, Fully-funded maintenance of the Southwest Chief is an integral and vital component of the Heartland Flyer Extension; and

WHEREAS, The Kansas Department of Transportation identifies passenger rail development in the State Rail Plan; and

Be it resolved by the House of Representatives of the State of Kansas: That we support and endorse the extension of Amtrak service between Oklahoma City, Oklahoma, and Newton, Kansas; and

Be it further resolved: That we urge the Kansas Congressional delegation to support the inclusion of full federal funding for the complete implementation and development of the Heartland Flyer Extension from Oklahoma City, Oklahoma, to Newton, Kansas, as well as a second frequency directly connecting Kansas City, Missouri, and Fort Worth, Texas, in the upcoming reauthorization of the Surface Transportation Act; and

Be it further resolved: That we urge the Kansas Congressional delegation to support the inclusion of full federal funding for the maintenance and future development of the Southwest Chief in the upcoming reauthorization of the Surface Transportation Act; and

Be it further resolved: That we approve a multi-state partnership among Amtrak and the several states through which the service will operate; and

Be it further resolved: That the Chief Clerk of the House of Representatives shall send enrolled copies of this resolution to the Governor of Kansas, the Governor of Oklahoma, the Oklahoma Secretary of Transportation, the Kansas Secretary of Transportation, each member of the Kansas Congressional delegation and the U.S. Secretary of Transportation.

PERSONAL PRIVILEGE

There being no objection, the following remarks of Rep. Ralph are spread upon the Journal:

HR 6017 allows this body to express its support for the transportation needs of this State by seeking the assistance of our Congressional delegation to include full federal funding for the Heartland Flyer Extension as well as the Southwest Chief as modes of passenger rail service.

Establishing and maintaining all modes of transportation is vital to all residents of Kansas, both urban and rural. To that end, passenger rail service provides a unique and affordable means of interstate and intrastate transportation to our citizens and tourism visitors. The Heartland Flyer Extension will provide a much needed connection of passenger rail service between Oklahoma City and Newton, Kansas. The connection with points south will benefit our local communities and will invigorate and enhance our existing passenger rail service on the Southwest Chief for points between Chicago and Los Angeles. Supporting full federal funding for these routes in the reauthorization of the Surface Transportation Act will be another means by which we can continue our recovery from the last year's economic difficulties.

I would ask that you please join me in support of this resolution to emphasize this point for our Congressional delegation, knowing that the delegation has been more than supportive of passenger rail in the past for this great State of Kansas. Thank you

Such assignment shall be of all accrued, present or future rights to support of the child surrendered to the caretaker relative. The assignment of support rights shall automatically become effective upon the date of approval for or receipt of such aid without the requirement that any document be signed by the applicant, recipient or obligee. By applying for or receiving temporary assistance for needy families, or by surrendering physical custody of a child to a caretaker relative who is an applicant or recipient of such assistance on the child's behalf, the applicant, recipient or obligee is also deemed to have appointed the secretary, or the secretary's designee, as an attorney-in-fact to perform the specific act of negotiating and endorsing all drafts, checks, money orders or other negotiable instruments representing support payments received by the secretary in behalf of any person applying for, receiving or having received such assistance. In determining the need of an individual, the secretary may provide for income and resource exemptions and protected income and resource levels. Resources from inheritance shall be counted. The secretary shall exempt principal and interest held in irrevocable trust pursuant to K.S.A. 16-303(c), and amendments thereto, from the eligibility requirements of applicants for and recipients of medical assistance. Such assistance shall be known as medical assistance.

(2) For the purposes of medical assistance eligibility determinations on or after July 1, 2004, if an applicant or recipient owns property in joint tenancy with some other party and the applicant or recipient of medical assistance has restricted or conditioned their interest in such property to a specific and discrete property interest less than 100%, then such designation will cause the full value of the property to be considered an available resource to the applicant or recipient. Medical assistance eligibility for receipt of benefits under the title XIX of the social security act, commonly known as medicaid, shall not be expanded, as provided for in the patient protection and affordable care act, public law 111-148, 124 stat. 119, and the health care and education reconciliation act of 2010, public law 111-152, 124 stat. 1029, unless the legislature expressly consents to,

(C) For the purposes of this paragraph, "public assistance" includes, but is not limited to, medicaid, medical assistance or title XIX of the social security act.

(4) (A) When an applicant or recipient of medical assistance is a party to a contract, agreement or accord for personal services being provided by a nonlicensed individual or provider and such contract, agreement or accord involves health and welfare monitoring, pharmacy assistance, case management, communication with medical, health or other professionals, or other activities related to home health care, long term care, medical assistance benefits, or other related issues, any moneys paid under such contract, agreement or accord shall be considered to be an available resource unless the following restrictions are met: (i) The contract, agreement or accord must be in writing and executed prior to any services being provided; (ii) the moneys paid are in direct relationship with the fair market value of such services being provided by similarly situated and trained nonlicensed individuals; (iii) if no similarly situated nonlicensed individuals or situations can be found, the value of services will be based on federal hourly minimum wage standards; (iv) such individual providing the services will report all receipts of moneys as income to the appropriate state and federal governmental revenue agencies; (v) any amounts due under such contract, agreement or accord shall be paid after the services are rendered; (vi) the applicant or recipient shall have the power to revoke the contract, agreement or accord; and (vii) upon the death of the applicant or recipient, the contract, agreement or accord ceases.

(B) When an applicant or recipient of medical assistance is a party to a written contract for personal services being provided by a licensed health professional or facility and such contract involves health and welfare monitoring, pharmacy assistance, case management, communication with medical, health or other professionals, or other activities related to home health care, long term care, medical assistance benefits or other related issues, any moneys paid in advance of receipt of services for such contracts shall be considered to be an available resource.

(5) Any trust may be amended if such amendment is permitted by the Kansas uniform trust code.

(f) *Eligibility for medical assistance of resident receiving medical care outside state.* A person who is receiving medical care including long-term care outside of Kansas whose health would be endangered by the postponement of medical care until

return to the state or by travel to return to Kansas, may be determined eligible for medical assistance if such individual is a resident of Kansas and all other eligibility factors are met. Persons who are receiving medical care on an ongoing basis in a long-term medical care facility in a state other than Kansas and who do not return to a care facility in Kansas when they are able to do so, shall no longer be eligible to receive assistance in Kansas unless such medical care is not available in a comparable facility or program providing such medical care in Kansas. For persons who are minors or who are under guardianship, the actions of the parent or guardian shall be deemed to be the actions of the child or ward in determining whether or not the person is remaining outside the state voluntarily.

(g) *Medical assistance; assignment of rights to medical support and limited power of attorney; recovery from estates of deceased recipients.* (1) (A) Except as otherwise provided in K.S.A. 39-786 and 39-787, and amendments thereto, or as otherwise authorized on and after September 30, 1989, under section 303 of the federal medicare catastrophic coverage act of 1988, whichever is applicable, by applying for or receiving medical assistance under a medical care plan in which federal funds are expended, any accrued, present or future rights to support and any rights to payment for medical care from a third party of an applicant or recipient and any other family member for whom the applicant is applying shall be deemed to have been assigned to the secretary on behalf of the state. The assignment shall automatically become effective upon the date of approval for such assistance without the requirement that any document be signed by the applicant or recipient. By applying for or receiving medical assistance the applicant or recipient is also deemed to have appointed the secretary, or the secretary's designee, as an attorney in fact to perform the specific act of negotiating and endorsing all drafts, checks, money orders or other negotiable instruments, representing payments received by the secretary in on behalf of any person applying for, receiving or having received such assistance. This limited power of attorney shall be effective from the date the secretary approves the application for assistance and shall remain in effect until the assignment has been terminated in full. The assignment of any rights to payment for medical care from a third party under this subsection shall not prohibit a health care provider from directly billing an insurance carrier for services rendered if the provider has not submitted a claim covering such services to the secretary for payment. Support amounts collected on behalf of persons whose rights to support are assigned to the secretary only under this subsection and no other shall be distributed pursuant to K.S.A. 39-756(d), and amendments thereto, except that any amounts designated as medical support shall be retained by the secretary for repayment of the unreimbursed portion of assistance. Amounts collected pursuant to the assignment of rights to payment for medical care from a third party shall also be retained by the secretary for repayment of the unreimbursed portion of assistance.

(B) Notwithstanding the provisions of subparagraph (A), the secretary of health and environment, or the secretary's designee, is hereby authorized to and shall exercise any of the powers specified in subparagraph (A) in relation to performance of such secretary's duties pertaining to medical subrogation, estate recovery or any other duties assigned to such secretary in article 74 of chapter 75 of the Kansas Statutes Annotated, and amendments thereto.

(2) The amount of any medical assistance paid after June 30, 1992, under the provisions of subsection (e) is: (A) A claim against the property or any interest therein

belonging to and a part of the estate of any deceased recipient or, if there is no estate, the estate of the surviving spouse, if any, shall be charged for such medical assistance paid to either or both; and (B) a claim against any funds of such recipient or spouse in any account under K.S.A. 9-1215, 17-2263 or 17-2264, and amendments thereto. There shall be no recovery of medical assistance correctly paid to or on behalf of an individual under subsection (e) except after the death of the surviving spouse of the individual, if any, and only at a time when the individual has no surviving child who is under 21 years of age or is blind or permanently and totally disabled. Transfers of real or personal property by recipients of medical assistance without adequate consideration are voidable and may be set aside. Except where there is a surviving spouse, or a surviving child who is under 21 years of age or is blind or permanently and totally disabled, the amount of any medical assistance paid under subsection (e) is a claim against the estate in any guardianship or conservatorship proceeding. The monetary value of any benefits received by the recipient of such medical assistance under long-term care insurance, as defined by K.S.A. 40-2227, and amendments thereto, shall be a credit against the amount of the claim provided for such medical assistance under this subsection. The secretary of health and environment is authorized to enforce each claim provided for under this subsection. The secretary of health and environment shall not be required to pursue every claim, but is granted discretion to determine which claims to pursue. All moneys received by the secretary of health and environment from claims under this subsection shall be deposited in the social welfare fund. The secretary of health and environment may adopt rules and regulations for the implementation and administration of the medical assistance recovery program under this subsection.

(3) By applying for or receiving medical assistance under the provisions of article 7 of chapter 39 of the Kansas Statutes Annotated, and amendments thereto, such individual or such individual's agent, fiduciary, guardian, conservator, representative payee or other person acting on behalf of the individual consents to the following definitions of estate and the results therefrom:

(A) If an individual receives any medical assistance before July 1, 2004, pursuant to article 7 of chapter 39 of the Kansas Statutes Annotated, and amendments thereto, which forms the basis for a claim under paragraph (2), such claim is limited to the individual's probatable estate as defined by applicable law; and

(B) if an individual receives any medical assistance on or after July 1, 2004, pursuant to article 7 of chapter 39 of the Kansas Statutes Annotated, and amendments thereto, which forms the basis for a claim under paragraph (2), such claim shall apply to the individual's medical assistance estate. The medical assistance estate is defined as including all real and personal property and other assets in which the deceased individual had any legal title or interest immediately before or at the time of death to the extent of that interest or title. The medical assistance estate includes, without limitation assets conveyed to a survivor, heir or assign of the deceased recipient through joint tenancy, tenancy in common, survivorship, transfer-on-death deed, payable-on-death contract, life estate, trust, annuities or similar arrangement.

(4) The secretary of health and environment or the secretary's designee is authorized to file and enforce a lien against the real property of a recipient of medical assistance in certain situations, subject to all prior liens of record and transfers for value to a bona fide purchaser of record. The lien must be filed in the office of the register of deeds of the county where the real property is located within one year from the date of

death of the recipient and must contain the legal description of all real property in the county subject to the lien.

(A) After the death of a recipient of medical assistance, the secretary of health and environment or the secretary's designee may place a lien on any interest in real property owned by such recipient.

(B) The secretary of health and environment or the secretary's designee may place a lien on any interest in real property owned by a recipient of medical assistance during the lifetime of such recipient. Such lien may be filed only after notice and an opportunity for a hearing has been given. Such lien may be enforced only upon competent medical testimony that the recipient cannot reasonably be expected to be discharged and returned home. A six-month period of compensated inpatient care at a nursing home or other medical institution shall constitute a determination by the department of health and environment that the recipient cannot reasonably be expected to be discharged and returned home. To return home means the recipient leaves the nursing or medical facility and resides in the home on which the lien has been placed for a continuous period of at least 90 days without being readmitted as an inpatient to a nursing or medical facility. The amount of the lien shall be for the amount of assistance paid by the department of health and environment until the time of the filing of the lien and for any amount paid thereafter for such medical assistance to the recipient. After the lien is filed against any real property owned by the recipient, such lien will be dissolved if the recipient is discharged, returns home and resides upon the real property to which the lien is attached for a continuous period of at least 90 days without being readmitted as an inpatient to a nursing or medical facility. If the recipient is readmitted as an inpatient to a nursing or medical facility for a continuous period of less than 90 days, another continuous period of at least 90 days shall be completed prior to dissolution of the lien.

(5) The lien filed by the secretary of health and environment or the secretary's designee for medical assistance correctly received may be enforced before or after the death of the recipient by the filing of an action to foreclose such lien in the Kansas district court or through an estate probate court action in the county where the real property of the recipient is located. However, it may be enforced only:

(A) After the death of the surviving spouse of the recipient;

(B) when there is no child of the recipient, natural or adopted, who is 20 years of age or less residing in the home;

(C) when there is no adult child of the recipient, natural or adopted, who is blind or disabled residing in the home; or

(D) when no brother or sister of the recipient is lawfully residing in the home, who has resided there for at least one year immediately before the date of the recipient's admission to the nursing or medical facility, and has resided there on a continuous basis since that time.

(6) The lien remains on the property even after a transfer of the title by conveyance, sale, succession, inheritance or will unless one of the following events occur:

(A) The lien is satisfied. The recipient, the heirs, personal representative or assigns of the recipient may discharge such lien at any time by paying the amount of the lien to the secretary of health and environment or the secretary's designee;

(B) the lien is terminated by foreclosure of prior lien of record or settlement action taken in lieu of foreclosure; or

(C) the value of the real property is consumed by the lien, at which time the secretary of health and environment or the secretary's designee may force the sale for the real property to satisfy the lien.

(7) If the secretary for aging and disability services or the secretary of health and environment, or both, or such secretary's designee has not filed an action to foreclose the lien in the Kansas district court in the county where the real property is located within 10 years from the date of the filing of the lien, then the lien shall become dormant, and shall cease to operate as a lien on the real estate of the recipient. Such dormant lien may be revived in the same manner as a dormant judgment lien is revived under K.S.A. 60-2403 et seq., and amendments thereto.

(8) Within seven days of receipt of notice by the secretary for children and families or the secretary's designee of the death of a recipient of medical assistance under this subsection, the secretary for children and families or the secretary's designee shall give notice of such recipient's death to the secretary of health and environment or the secretary's designee.

(9) All rules and regulations adopted on and after July 1, 2013, and prior to July 1, 2014, to implement this subsection shall continue to be effective and shall be deemed to be duly adopted rules and regulations of the secretary of health and environment until revised, amended, revoked or nullified pursuant to law.

(h) *Placement under the revised Kansas code for care of children or revised Kansas juvenile justice code; assignment of support rights and limited power of attorney.* In any case in which the secretary for children and families pays for the expenses of care and custody of a child pursuant to K.S.A. 2020 Supp. 38-2201 et seq. or 38-2301 et seq., and amendments thereto, including the expenses of any foster care placement, an assignment of all past, present and future support rights of the child in custody possessed by either parent or other person entitled to receive support payments for the child is, by operation of law, conveyed to the secretary. Such assignment shall become effective upon placement of a child in the custody of the secretary or upon payment of the expenses of care and custody of a child by the secretary without the requirement that any document be signed by the parent or other person entitled to receive support payments for the child. When the secretary pays for the expenses of care and custody of a child or a child is placed in the custody of the secretary, the parent or other person entitled to receive support payments for the child is also deemed to have appointed the secretary, or the secretary's designee, as attorney in fact to perform the specific act of negotiating and endorsing all drafts, checks, money orders or other negotiable instruments representing support payments received by the secretary on behalf of the child. This limited power of attorney shall be effective from the date the assignment to support rights becomes effective and shall remain in effect until the assignment of support rights has been terminated in full.

(i) No person who voluntarily quits employment or who is fired from employment due to gross misconduct as defined by rules and regulations of the secretary or who is a fugitive from justice by reason of a felony conviction or charge or violation of a condition of probation or parole imposed under federal or state law shall be eligible to receive public assistance benefits in this state. Any recipient of public assistance who fails to timely comply with monthly reporting requirements under criteria and guidelines prescribed by rules and regulations of the secretary shall be subject to a penalty established by the secretary by rules and regulations.

(j) If the applicant or recipient of temporary assistance for needy families is a mother of the dependent child, as a condition of the mother's eligibility for temporary assistance for needy families the mother shall identify by name and, if known, by current address the father of the dependent child except that the secretary may adopt by rules and regulations exceptions to this requirement in cases of undue hardship. Any recipient of temporary assistance for needy families who fails to cooperate with requirements relating to child support services under criteria and guidelines prescribed by rules and regulations of the secretary shall be subject to a penalty established by the secretary.

(k) By applying for or receiving child care benefits or food assistance, the applicant or recipient shall be deemed to have assigned, pursuant to K.S.A. 39-756, and amendments thereto, to the secretary on behalf of the state only accrued, present or future rights to support from any other person such applicant may have in such person's own behalf or in behalf of any other family member for whom the applicant is applying for or receiving aid. The assignment of support rights shall automatically become effective upon the date of approval for or receipt of such aid without the requirement that any document be signed by the applicant or recipient. By applying for or receiving child care benefits or food assistance, the applicant or recipient is also deemed to have appointed the secretary, or the secretary's designee, as an attorney in fact to perform the specific act of negotiating and endorsing all drafts, checks, money orders or other negotiable instruments representing support payments received by the secretary in behalf of any person applying for, receiving or having received such assistance. This limited power of attorney shall be effective from the date the secretary approves the application for aid and shall remain in effect until the assignment of support rights has been terminated in full. An applicant or recipient who has assigned support rights to the secretary pursuant to this subsection shall cooperate in establishing and enforcing support obligations to the same extent required of applicants for or recipients of temporary assistance for needy families.

(l) (1) A program of drug screening for applicants for cash assistance as a condition of eligibility for cash assistance and persons receiving cash assistance as a condition of continued receipt of cash assistance shall be established, subject to applicable federal law, by the secretary for children and families on and before January 1, 2014. Under such program of drug screening, the secretary for children and families shall order a drug screening of an applicant for or a recipient of cash assistance at any time when reasonable suspicion exists that such applicant for or recipient of cash assistance is unlawfully using a controlled substance or controlled substance analog. The secretary for children and families may use any information obtained by the secretary for children and families to determine whether such reasonable suspicion exists, including, but not limited to, an applicant's or recipient's demeanor, missed appointments and arrest or other police records, previous employment or application for employment in an occupation or industry that regularly conducts drug screening, termination from previous employment due to unlawful use of a controlled substance or controlled substance analog or prior drug screening records of the applicant or recipient indicating unlawful use of a controlled substance or controlled substance analog.

(2) Any applicant for or recipient of cash assistance whose drug screening results in a positive test may request that the drug screening specimen be sent to a different drug testing facility for an additional drug screening. Any applicant for or recipient of cash

assistance who requests an additional drug screening at a different drug testing facility shall be required to pay the cost of drug screening. Such applicant or recipient who took the additional drug screening and who tested negative for unlawful use of a controlled substance and controlled substance analog shall be reimbursed for the cost of such additional drug screening.

(3) Any applicant for or recipient of cash assistance who tests positive for unlawful use of a controlled substance or controlled substance analog shall be required to complete a substance abuse treatment program approved by the secretary for children and families, secretary of labor or secretary of commerce, and a job skills program approved by the secretary for children and families, secretary of labor or secretary of commerce. Subject to applicable federal laws, any applicant for or recipient of cash assistance who fails to complete or refuses to participate in the substance abuse treatment program or job skills program as required under this subsection shall be ineligible to receive cash assistance until completion of such substance abuse treatment and job skills programs. Upon completion of both substance abuse treatment and job skills programs, such applicant for or recipient of cash assistance may be subject to periodic drug screening, as determined by the secretary for children and families. Upon a second positive test for unlawful use of a controlled substance or controlled substance analog, a recipient of cash assistance shall be ordered to complete again a substance abuse treatment program and job skills program, and shall be terminated from cash assistance for a period of 12 months, or until such recipient of cash assistance completes both substance abuse treatment and job skills programs, whichever is later. Upon a third positive test for unlawful use of a controlled substance or controlled substance analog, a recipient of cash assistance shall be terminated from cash assistance, subject to applicable federal law.

(4) If an applicant for or recipient of cash assistance is ineligible for or terminated from cash assistance as a result of a positive test for unlawful use of a controlled substance or controlled substance analog, and such applicant for or recipient of cash assistance is the parent or legal guardian of a minor child, an appropriate protective payee shall be designated to receive cash assistance on behalf of such child. Such parent or legal guardian of the minor child may choose to designate an individual to receive cash assistance for such parent's or legal guardian's minor child, as approved by the secretary for children and families. Prior to the designated individual receiving any cash assistance, the secretary for children and families shall review whether reasonable suspicion exists that such designated individual is unlawfully using a controlled substance or controlled substance analog.

(A) In addition, any individual designated to receive cash assistance on behalf of an eligible minor child shall be subject to drug screening at any time when reasonable suspicion exists that such designated individual is unlawfully using a controlled substance or controlled substance analog. The secretary for children and families may use any information obtained by the secretary for children and families to determine whether such reasonable suspicion exists, including, but not limited to, the designated individual's demeanor, missed appointments and arrest or other police records, previous employment or application for employment in an occupation or industry that regularly conducts drug screening, termination from previous employment due to unlawful use of a controlled substance or controlled substance analog or prior drug screening records of the designated individual indicating unlawful use of a controlled substance or controlled

substance analog.

(B) Any designated individual whose drug screening results in a positive test may request that the drug screening specimen be sent to a different drug testing facility for an additional drug screening. Any designated individual who requests an additional drug screening at a different drug testing facility shall be required to pay the cost of drug screening. Such designated individual who took the additional drug screening and who tested negative for unlawful use of a controlled substance and controlled substance analog shall be reimbursed for the cost of such additional drug screening.

(C) Upon any positive test for unlawful use of a controlled substance or controlled substance analog, the designated individual shall not receive cash assistance on behalf of the parent's or legal guardian's minor child, and another designated individual shall be selected by the secretary for children and families to receive cash assistance on behalf of such parent's or legal guardian's minor child.

(5) If a person has been convicted under federal or state law of any offense which is classified as a felony by the law of the jurisdiction and which has as an element of such offense the manufacture, cultivation, distribution, possession or use of a controlled substance or controlled substance analog, and the date of conviction is on or after July 1, 2013, such person shall thereby become forever ineligible to receive any cash assistance under this subsection unless such conviction is the person's first conviction. (6) Except for hearings before the Kansas department for children and families or, the results of any drug screening administered as part of the drug screening program authorized by this subsection shall be confidential and shall not be disclosed publicly.

(7) The secretary for children and families may adopt such rules and regulations as are necessary to carry out the provisions of this subsection.
