HB2524 I am opposed to this bill. Here is my written testimony from Autumn Huber, RN

To whom it may concern,

Trinity nursing agency has been very good for me and my family. Working for Trinity let's me continue to fulfill the needs area nursing homes and hospitals in the area. Working for Trinity has given my family the additional income we have needed over the last 2 years especially with the pandemic and hours at my full time job get cut for a while. I was able to continue to provide for my family. Working for Trinity I have been able to keep up on all my nursing skills that I don't use everyday at my full time job. The Trinity administration staff is amazing. They truly care about the facilities they serve and their staff. I am very blessed to work for such a great company that has helped so many people and continues to help me provide for my family.

Sincerely,

Autumn Huber
