Dear Representative Carpenter:

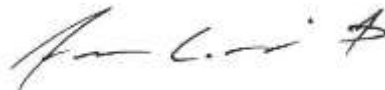

SUBJECT: Fiscal Note for HB 2118 by House Committee on Elections

In accordance with KSA 75-3715a, the following fiscal note concerning HB 2118 is respectfully submitted to your committee.

HB 2118 would remove the option of stating an organization's treasurer's name from certain political advertisements. The bill would also require clear and obvious attribution of the sponsor for certain political advertisements.

According to the Kansas Governmental Ethics Commission and the Office of the Secretary of State, enactment of HB 2118 would not have a fiscal effect on the operations of either agency.

Sincerely,

Adam Proffitt
Director of the Budget
