Regarding: HB 2550

Dear Chair Williams and members of the committee:

I am a product of a private grade school and high school, and yet I oppose this bill for many reasons, mainly because it diverts taxpayer funds from our public schools to private schools. Additionally, private schools do not have the same accountability standards as public schools. This is unfair to Kansas taxpayers and would create a two-tier education system that may benefit some students while hurting the majority of students.

I ask you to vote against this bill.

Sincerely,  
Cynthia Lukas  
Citizen, Former College Professor
