To Whom It May Concern,

My name is Doris Winston I do my Home Base Service thru Topeka Independent Living Resources. I am writing to you to plea that you drop the monthly co-payments for this service.

It is very difficult to survive less on provide on a fixed income. I am unable to buy personal items and necessities at time due to cost. Guess what, doing without is the new norm!

After 32 years on disability my annual income is less than \$15,000. This is a disgrace! Your co-payment for people is undignified! Drop the co-payments, help us stop this payment, just taking what little money we don't even have to spare to give you a co-payment. America? Sorry I can't tell!

Sincerely,

Doris Winston
