

**To the Senate Committee on Assesment & Taxation  
In Support of SB 327  
January 27, 2022**

Exclusion of Taxes on Delivery Charges  
Senate Committee on Assesment & Taxation  
Barbara Saldivar  
6121 NW Green Hills  
Topeka, KS 66618

Chairman and Members of the Committee,

I am a concerned citizen worried about taxes. I would so appreciate just being able to pay for something without being charged for hidden taxes like taxing on delivery charges.

Thank you, Chairwoman Tyson, and members of the committee, for discussing this important issue of taxation on delivery charges. We taxpayers appreciate your help to make ends meet in our household budgets. Please pass SB 327 favorably out of your committee.
