

**February 25, 2021**  
**Committee on Education**  
**Proponent Testimony on SB 235**

I would just like to voice my support for return to full, in-person school as soon as possible. I will say that our school went hybrid due to too many quarantined rather than too many positives. (4 positive kids quarantined about 70 kids.) We need the state to say that if kids are wearing masks, quarantines aren't necessary.

Thank you,

Miranda Reed
