SB 78

Testimony Before the Senate Financial Institutions and Insurance Committee

Testimony by Marlee Carpenter, Kansas Association of Property and Casualty Insurance Companies (KAPCIC)

Mr. Chair and Members of the Committee;

Thank you for the opportunity to provide written testimony on behalf of the Kansas Association of Property and Casualty Insurance Companies (KAPCIC), our state trade association for domestic property and casualty insurance companies. Most of the KAPCIC member companies are domiciled Kansas companies and our members live and work here in the state.

KAPCIC is here as a neutral conferee with concerns about the new investigative powers for the Kansas Department of Insurance (KID). We encourage the committee to carefully review these provisions and ensure that they are proportionate with types of investigations KID undertakes for insurance companies. We appreciate your careful consider of the new investigative provisions in SB 78.

Thank you for your time and I am happy to answer any questions.
