The Honorable Mike Petersen, Chairperson
Senate Committee on Transportation
Statehouse, Room 345-S
Topeka, Kansas 66612

Dear Chairman Peterson,

It is my honor to send this letter in support of naming a portion of US 69 Highway in Overland Park as the Dennis M. Wilson Memorial Highway. Dennis and I served together in the Kansas Legislature beginning in 1995 and remained friends throughout the balance of his life.

Dennis served in many other capacities of the state and became a well- respected promoter of Kansas. I think the offices in which he held and the accomplishments during his tenure, demonstrates his worthiness of this honor. His willingness to listen to the concerns outside of his district and advocate for the good of the entire state, merits the naming of this section of the highway in honor of him.

In closing I would ask for your utmost consideration of this well-deserved honor for Dennis and his family.

Sincerely,

A handwritten signature in cursive script that reads "Gary K. Hayzlett". The signature is written in black ink and is positioned above the printed name and title.
