Dear Senator Petersen:

SUBJECT: KANSAS SB20

It has been my privilege and an honor to have known Dennis Wilson since 1979.

Dennis Wilson has impacted countless people through his life and work, including me. He was my friend, business partner and confidant for 41 years. I have personally witnessed the good that Dennis Wilson influenced as he helped his family, friends and fellow Kansans.

As a current Kansas Business man that Dennis Wilson has impacted, I fully endorse the Senator Dennis Wilson Memorial Highway!
