

SOUTHWEST POWER POOL SUBMITTED PROJECT MAP (* between 2016 and March, 2021)

The dots below indicate zoned (green) and unzoned counties (red) and desired energy projects coded as per color dots. Dots on the county line reflects shared projects as per project information. This does not mean all projects will be approved and completed. However, it is indicating targeted counties. All counties are being targeted. Flint Hills counties are also targeted.

KEY: Brown—Pre 2016 projects; Blue dot—Wind projects; Orange dot—Solar projects; Pink—Battery Projects
