MEMORANDUM

To: Senate Committee on Ways and Means
From: Office of Revisor of Statutes
Date: May 6, 2021
Re: Senate Bill No. 314, statutory conflicts reconciliation

The statutory conflicts reconciliation bill combines amendments to certain statutes that have been amended multiple times in different bills. The purpose of the reconciliation bill is to combine non-contradictory amendments from enacted legislation to produce one version of the statute. Without reconciling amendments, multiple versions of the statute will exist. The bill would make no substantive changes to current law.

The bill would take effect upon publication in the statute book, July 1, 2021, so that the amendments are reconciled before the next version of the statute is printed in the Kansas Statutes Annotated.
