K-12 BUDGET RULES FOR CONFEREES ~ 2022 Session

It is the policy of the House K-12 Committee to ensure and promote free and open discussion of matters coming before the Committee. Because of the importance of issues that are to be discussed, certain rules are necessary. Just as there are rules relating to the conduct of committee business when matters are debated among committee members, the following rules apply to the hearing process itself. Any questions about these rules should be directed to the committee chairman.

By appearing before the Committee each conferee is presumed to have read the rules and therefore has agreed to be bound by these rules.

We thank you for your understanding of and compliance with these rules.
