17 receive payment from the school district capital improvements fund in an  
18 amount determined by the state board of education as provided in this  
19 subsection.

20 (1) For general obligation bonds approved for issuance at an election  
21 held prior to July 1, 2015, the state board of education shall:

22 (A) Determine the amount of the assessed valuation per pupil (AVPP)  
23 of each school district in the state for the preceding school year and round  
24 such amount to the nearest \$1,000. The rounded amount is the AVPP of a  
25 school district for the purposes of this subsection (b)(1);

26 (B) determine the median AVPP of all school districts;

27 (C) prepare a schedule of dollar amounts using the amount of the  
28 median AVPP of all school districts as the point of beginning. The  
29 schedule of dollar amounts shall range upward in equal \$1,000 intervals  
30 from the point of beginning to and including an amount that is equal to the  
31 amount of the AVPP of the school district with the highest AVPP of all  
32 school districts and shall range downward in equal \$1,000 intervals from  
33 the point of beginning to and including an amount that is equal to the  
34 amount of the AVPP of the school district with the lowest AVPP of all  
35 school districts;

36 (D) determine a state aid percentage factor for each school district by  
37 assigning a state aid computation percentage to the amount of the median  
38 AVPP shown on the schedule, decreasing the state aid computation  
39 percentage assigned to the amount of the median AVPP by one percentage  
40 point for each \$1,000 interval above the amount of the median AVPP, and  
41 increasing the state aid computation percentage assigned to the amount of  
42 the median AVPP by one percentage point for each \$1,000 interval below  
43 the amount of the median AVPP. Except as provided by K.S.A. 72-5463,

1 and amendments thereto, the state aid percentage factor of a school district  
2 is the percentage assigned to the schedule amount that is equal to the  
3 amount of the AVPP of the school district. The state aid percentage factor  
4 of a school district shall not exceed 100%. The state aid computation  
5 percentage is 25%;

6 (E) determine the amount of payments that a school district is  
7 obligated to make from its bond and interest fund attributable to general  
8 obligation bonds approved for issuance at an election held prior to July 1,  
9 2015; and

10 (F) multiply the amount determined under subsection (b)(1)(E) by the  
11 applicable state aid percentage factor.

12 (2) For general obligation bonds approved for issuance at an election  
13 held on or after July 1, 2015, the state board of education shall:

14 (A) Determine the amount of the AVPP of each school district in the

16 \$1,000. The rounded amount is the AVPP of a school district for the  
17 purposes of this subsection (b)(2);

18 (B) prepare a schedule of dollar amounts using the amount of the  
19 AVPP of the school district with the lowest AVPP of all school districts as  
20 the point of beginning. The schedule of dollar amounts shall range upward  
21 in equal \$1,000 intervals from the point of beginning to and including an  
22 amount that is equal to the amount of the AVPP of the school district with  
23 the highest AVPP of all school districts;

24 (C) determine a state aid percentage factor for each school district by  
25 assigning a state aid computation percentage to the amount of the lowest  
26 AVPP shown on the schedule and decreasing the state aid computation  
27 percentage assigned to the amount of the lowest AVPP by one percentage  
28 point for each \$1,000 interval above the amount of the lowest AVPP.  
29 Except as provided by K.S.A. 72-5463, and amendments thereto, the state  
30 aid percentage factor of a school district is the percentage assigned to the  
31 schedule amount that is equal to the amount of the AVPP of the school  
32 district. The state aid computation percentage is 75%;

33 (D) determine the amount of payments that a school district is  
34 obligated to make from its bond and interest fund attributable to general  
35 obligation bonds approved for issuance at an election held on or after July  
36 1, 2015; and

37 (E) multiply the amount determined under subsection (b)(2)(D) by  
38 the applicable state aid percentage factor.

39 (3) For general obligation bonds approved for issuance at an election  
40 held on or before June 30, 2016, the sum of the amount determined under  
41 subsection (b)(1)(F) and the amount determined under subsection (b)(2)(E)  
42 is the amount of payment the school district is entitled to receive from the  
43 school district capital improvements fund in the school year.

1 (4) For general obligation bonds approved for issuance at an election  
2 held on or after July 1, 2016, the amount determined under subsection (b)  
3 (2)(E) is the amount of payment the school district shall receive from the  
4 school district capital improvements fund in the school year, except the  
5 total amount of payments school districts receive from the school district  
6 capital improvements fund in the school year for such bonds shall not  
7 exceed the six-year average amount of capital improvement state aid as  
8 determined by the state board of education.

9 (A) The state board of education shall determine the six-year average  
10 amount of capital improvement state aid by calculating the average of the  
11 total amount of moneys expended per year from the school district capital  
12 improvements fund in the immediately preceding six fiscal years, not to  
13 include the current fiscal year.

14 (B) (i) Subject to clause (ii), the state board of education shall  
15 prioritize the allocations to school districts from the school district capital  
16 improvements fund in accordance with the priorities set forth as follows in  
17 order of highest priority to lowest priority:

18 (a) Safety of the current facility and disability access to such facility  
19 as demonstrated by a state fire marshal report, an inspection under the  
20 Americans with disabilities act, 42 U.S.C. § 12101 et seq., or other similar  
21 evaluation;

22 (b) enrollment growth and imminent overcrowding as demonstrated  
23 by successive increases in enrollment of the school district in the  
24 immediately preceding three school years;

25 (c) impact on the delivery of educational services as demonstrated by  
26 restrictive inflexible design or limitations on installation of technology;  
27 and

28 (d) energy usage and other operational inefficiencies as demonstrated  
29 by a district-wide energy usage analysis, district-wide architectural  
30 analysis or other similar evaluation.

31 (ii) In allocating capital improvement state aid, the state board shall  
32 give higher priority to those school districts with a lower AVPP compared  
33 to the other school districts that are to receive capital improvement state  
34 aid under this section.

35 (C) On and after July 1, 2016, the state board of education shall  
36 approve the amount of state aid payments a school district shall receive  
37 from the school district capital improvements fund pursuant to subsection  
38 (b)(5) prior to an election to approve the issuance of general obligation  
39 bonds.

40 (5) Except as provided in subsections (b)(6) and (b)(7), the sum of the  
41 amounts determined under subsection (b)(3) and the amount determined or  
42 allocated to the district by the state board of education pursuant to  
43 subsection (b)(4), is the amount of payment the school district is entitled to

1 receive from the school district capital improvements fund in the school  
2 year.

3 (6) A school district that had an enrollment of less than 260 students  
4 in the school year immediately preceding the school year in which an  
5 election is held to approve the issuance of general obligation bonds shall  
6 not be entitled to receive payments from the school district capital  
7 improvements fund unless such school district applied for and received  
8 approval from the state board of education to issue such bonds prior to  
9 holding an election to approve such bond issuance. The provisions of this  
10 paragraph shall apply to general obligation bonds approved for issuance at  
11 an election held on or after July 1, 2017, that are issued for the purpose of  
12 financing the construction of new school facilities.

13 (7) For general obligation bonds approved for issuance at an election  
14 held on or after July 1, 2017, in determining the amount under subsection  
15 (b)(2)(D), the state board shall exclude payments for any capital  
16 improvement project, or portion thereof, that proposes to construct,  
17 reconstruct or remodel a facility that would be used primarily for  
18 extracurricular activities, unless the construction, reconstruction or  
19 remodeling of such facility is necessary due to concerns relating to the  
20 safety of the current facility or disability access to such facility as  
21 demonstrated by a state fire marshal report, an inspection under the  
22 Americans with disabilities act, 42 U.S.C. § 12101 et seq., or other similar  
23 evaluation.

24 (c) The state board of education shall certify to the director of  
25 accounts and reports the entitlements of school districts determined under  
26 the provisions of subsection (b), and an amount equal thereto shall be
