

SESSION OF 2022

**SUPPLEMENTAL NOTE ON SENATE BILL NO. 522**

As Recommended by Senate Committee on  
Federal and State Affairs

**Brief\***

SB 522 would create law related to firearm safety education programs conducted in public school districts.

The bill would allow local school boards (local board) to provide firearm safety education programs. The State Board of Education (State Board) would be directed to establish curriculum guidelines for a standardized firearm safety education program, which would be required to include accident prevention.

The bill would provide that specific programs would be used based on the grade level of students, as follows:

- Kindergarten through grade five guidelines would be based on the Eddie Eagle Gunsafe program (Eddie Eagle program) offered by the National Rifle Association (NRA) or any successor program;
- Grades six through eight guidelines would be based on either the Eddie Eagle program, or any successor program, or the Hunter Education in Our Schools program (Hunter Education), offered by the Kansas Department of Wildlife and Parks (KDWP), or any successor program; and
- Grades nine through twelve guidelines would be based on Hunter Education or any successor program.

---

\*Supplemental notes are prepared by the Legislative Research Department and do not express legislative intent. The supplemental note and fiscal note for this bill may be accessed on the Internet at <http://www.kslegislature.org>

The bill would provide that if a local board elects to provide firearm safety education, such instruction must be in accordance with the guidelines established by the State Board. Further, if a local board elects to provide firearm safety education courses, such instruction would have to be offered so as to ensure all students are provided the opportunity to take the course.

### **Background**

The bill was requested for introduction by Senator Petersen on behalf of Kansas State Rifle Association.

### ***Senate Committee on Federal and State Affairs***

In the Senate Committee hearing, Representative Penn and representatives of 1 Million Moms Against Gun Control, Congressional Sports Club Foundation, and Kansas State Rifle Association provided **proponent** testimony, stating the bill would standardize firearm safety education across the state and could prevent accidents involving children and firearms.

Written-only proponent testimony was provided by representatives of the National Rifle Association, National Shooting Sports Foundation, Safari Club International, and a private citizen.

**Opponent** testimony was provided by a high school student, stating the effectiveness of the Eddie Eagle program at preventing gun accidents involving children is unclear.

Written-only opponent testimony was provided by representatives of the Kansas National Education Association, State Board of Education, three representatives of Moms Demand Action, and nine private citizens.

## **Fiscal Information**

According to the fiscal note prepared by the Division of the Budget on the bill, the Department of Education states enactment of the bill would require the creation of a Standards Development Committee, which would meet multiple times over the course of a year to develop the required standards. Costs for the process would include development and review of materials, transportation reimbursement for some in-person meetings, and other development costs at an estimated cost of \$70,000, all from the State General Fund. The Department notes that local school districts would incur costs to train teachers and purchase new curriculum materials; however, the cost of these materials would not be known until the standards are developed. Any fiscal effect associated with the bill is not reflected in *The FY 2023 Governor's Budget Report*.
