Program History

The Winfield Correctional Facility was established in 1984 by SB 496 as the Winfield Pre-Release Center on the grounds of the Winfield State Hospital and Training Center (WSH&TC). In 1987, funds were appropriated to expand capacity and in 1989 the name was changed to the Winfield Correctional Facility. As the need for more prison beds grew, funds were appropriated in 1995 and 1998 to renovate vacant WSH&TC housing units. On July 1, 1997, WCF assumed operations of the maintenance shop, laundry, and warehouse formerly operated by WSH&TC. WCF also assumed the responsibility of maintaining the security of the entire complex. Following the recommendations of the Hospital Closure Commission, WSH&TC was closed during FY 1998. In 1999 the ownership of the property was split between and the Kansas Veterans Commission. The Kansas Veteran's Home (KVH) opened in February 2000. WCF provides laundry services, grounds maintenance, trash removal, perimeter and grounds security, warehouse space and maintenance shop services. WCF also pays electricity, natural gas, water, and solid waste utilities for KVH. On July 1, 2020, Triplett and Funston Halls were transferred from KVH to WCF. These units will be used as an assisted living and acute care unit and substance abuse program unit. Renovations are expected to be completed during FY 2021 and the units occupied in FY 2022. In 1976 the Wichita Work Release Facility (WWRF) was established as a separate facility in accordance with the 1974 Penal Reform Act, which required the establishment of work release programs designed to provide residents with an opportunity to develop work skills and secure employment prior to release. Originally consisting of 22 mixed-gender beds near Wichita State University, WWRF relocated and expanded capacity in 1978 and again in 1989. The 1990 Legislature appropriated funds to purchase and renovate a building in downtown Wichita, where WWRF is located today. In 1996, WWRF was administratively consolidated with WCF. In 2002, the female population was transferred to the Topeka Correctional Facility.

Consequences of Not Funding this Program

The capital improvement program is used solely for budgeting and recording expenditures related to rehabilitation and repair projects. KDOC central office is appropriated \$4,920,000 from the Correctional Institutions Building Fund annually for rehabilitation and repair projects throughout the KDOC system. Funds are transferred to the facility as projects are approved. Eliminating this program would prohibit the Department from making repairs, upgrades, and improvements to the facilities.
