22-4104. Deputization of employees of other state to return violators. The secretary of corrections is hereby authorized and empowered to deputize any person regularly employed by another state to act as an officer and agent of this state in effecting the return of any person who has violated the terms and conditions of parole, postrelease supervision, assignment to a community correctional services program or probation as granted by this state. In any matter relating to the return of such person, any agent so deputized shall have all the powers of a law enforcement officer of this state.
