

2021 Kansas Statutes

28-831. Reimbursement of certain county officers and employees where compensation reduced by changes in population. If the salary of any officer or employee whose salary or compensation was fixed before the effective date of this act by the provisions of article 8 of chapter 28 of the Kansas Statutes Annotated, or acts amendatory thereof or supplemental thereto, has been reduced during the calendar year 1972 as a result of a change in population of the county, the board of county commissioners of such county shall reimburse such officer or employee for such loss of salary until otherwise provided by law.

History: L. 1972, ch. 155, § 1; July 1.
