

2021 Kansas Statutes

32-913. Same; instruction requirements; designation of persons to issue certificates. The secretary shall prescribe a course of instruction of not less than a total of six hours concerning the ethical, humane, safe and selective furharvesting and handling of furbearing animals and coyotes. The secretary shall designate those persons who shall issue furharvester certificates of competency to each person who successfully completes such course of instruction, and such designation and certificate shall be valid until revoked by the secretary.

History: L. 1982, ch. 175, § 2; L. 1989, ch. 118, § 58; July 1.
