

2021 Kansas Statutes

32-1434. Warning notice requirements. (a) At every registered agritourism location, the registered agritourism operator shall post and maintain signage which contains the warning notice specified in subsection (c). This section shall be deemed satisfied if such signage is placed in a clearly visible location at or near the registered agritourism location. The warning notice specified in subsection (c) shall appear on the sign in black letters, with each letter to be a minimum of one inch in height.

(b) Every written contract entered into by a registered agritourism operator for the providing of a registered agritourism activity shall contain in clearly readable print the warning notice and language specified in subsection (c).

(c) The signs described in subsection (a) and the contracts described in subsection (b) shall contain the following warning notice:

WARNING

Under Kansas law, there is no liability for an injury or death of a participant in a registered agritourism activity conducted at this registered agritourism location if such injury or death results from the inherent risks of such agritourism activity. Inherent risks of agritourism activities include, but shall not be limited to, the potential of you as a participant to act in a negligent manner that may contribute to your injury or death and the potential of another participant to act in a negligent manner that may contribute to your injury or death. You are assuming the risk of participating in this registered agritourism activity.

(d) Upon request, the registered agritourism operator shall provide to any participant a written description of the registered agritourism activity, as set forth in the registration pursuant to K.S.A. 32-1433, and amendments thereto, for which this act limits the registered agritourism operator's liability at the registered agritourism location.
