The system shall provide for mutual cooperation among the participating subdivisions in conducting disaster-related exercises, testing or other training activities outside actual declared emergency periods. The system shall provide a common glossary and definitions of resources based on a resource management program. This legislation provides no immunity, rights or privileges for any individual responding to a state of emergency that is not requested or authorized, or both, to respond by a participating political subdivision. Participating political subdivisions will be ensuring to the fullest extent possible, eligibility for state and federal disaster funding.
