

2021 Kansas Statutes

65-1629. Inspection of drugs by board; samples; analyses; publication of results. The board and its duly authorized agents and employees may inspect in a lawful manner the drugs kept for sale, offered for sale or for dispensing, or sold in the state of Kansas by any pharmacist, or kept in stock by any duly licensed practitioner or institutional drug room in the state, or when such inspection is required by the secretary of health and environment the drugs kept in stock by any medical care facility; and for this purpose shall have the right to enter and inspect during business hours any institutional drug room or any pharmacy or any other place in the state of Kansas where drugs are manufactured, packed, packaged, made, sold, offered for sale or kept for sale and may collect samples of such drugs upon payment therefor. The samples thus collected may be submitted for analysis to the office of laboratory services of the department of health and environment and the results of the analysis may be published by the state department of health and environment.
