

2021 Kansas Statutes

65-6009. Infectious disease testing; persons arrested or convicted; disclosure of test results; costs of counseling and testing. (a) (1) At the time of an appearance before a magistrate under K.S.A. 22-2901, and amendments thereto, the magistrate shall inform any person arrested and charged with a crime in which it appears from the nature of the charge that the transmission of body fluids from one person to another may have been involved of the availability of infectious disease tests and shall cause the alleged victim of such a crime, if any, to be notified that infectious disease tests and counseling are available.

(2) The court shall order a person arrested and charged to submit to infectious disease tests if:

(A) The victim of the crime or the county or district attorney requests the court to order such tests of the alleged offender; or

(B) such person stated they had an infectious disease or were infected with an infectious disease, or used words of like effect, to the law enforcement officer making such arrest.

(3) Testing for infectious disease shall occur not later than 48 hours after the alleged offender appears before a magistrate under K.S.A. 22-2901, and amendments thereto. The results of any test obtained under this section shall be inadmissible in any criminal or civil proceeding. The court shall also order the arrested person to submit to follow-up tests for infectious diseases as may be medically appropriate.

(b) Upon conviction of a person for any crime that the court determines from the facts of the case involved or was likely to have involved the transmission of body fluids from one person to another, the court: (1) May order the convicted person to submit to infectious disease tests; or (2) shall order the convicted person to submit to infectious disease tests if the victim of the crime or the parent or legal guardian of the victim, if the victim is a minor, requests the court to issue such order. If infectious disease tests are ordered under this subsection, the victim of the crime, if any, who is not a minor, shall designate a healthcare provider or counselor to receive such information on behalf of the victim. If the victim is a minor, the parent or legal guardian of the victim shall designate the healthcare provider or counselor to receive such information.

(c) The results of any infectious disease test ordered under subsection (a) shall be disclosed to the law enforcement officer making such arrest, the arrested person, the victim, the parent or legal guardian of the victim and such other persons as the court determines have a legitimate need to know the test result in order to provide for their protection. The results of any infectious disease test ordered under subsection (b) shall be disclosed to the court which ordered the test, the convicted person and to the person designated under subsection (b) by the victim or victims of the crime or by the parent or legal guardian of a victim if the victim is a minor. If an infectious disease test ordered under this section results in a positive reaction, the results shall be reported to the secretary of health and environment and to the secretary of corrections.

(d) The costs of any counseling and testing provided under this section shall be paid from amounts appropriated to the department of health and environment for that purpose. The court shall order the convicted person to pay restitution to the department of health and environment for the costs of any counseling provided under this section and the costs of any test ordered or otherwise performed under this section.
