

2021 Kansas Statutes

71-221. Identification of courses that transfer to all state educational institutions; publication thereof.
The board of trustees of each community college shall identify those courses offered by such community college that transfer to all state educational institutions, as that term is defined in K.S.A. 76-711, and amendments thereto. All such courses shall be prominently identified on such community college's website and shall be accessible through a link on the state board of regent's website.
