

## 2021 Kansas Statutes

74-99b52. **Purpose.** The purpose of the bioscience tax investment incentive act is to make Kansas the most desirable state in which to conduct the business of bioscience. The bioscience tax investment incentive act will incentivize individuals and organizations engaged in the business of bioscience to locate and grow in the state in order to make Kansas a national leader in bioscience, create new jobs, foster economic growth, advance scientific knowledge and improve the quality of life for the citizens of the state. The bioscience tax investment incentive act promotes private research and development, investment in real property and improvements, and investment in equipment and supplies to enhance bioscience research and commercialization of bioscience products and technologies in the state.

**History:** L. 2004, ch. 112, § 32; July 1.
