

2021 Kansas Statutes

77-710. Construction of act. On and after January 1, 1996, nothing in this act shall be construed to limit the scope of judicial review of an agency action, create a new private cause of action or limit any right of action pursuant to other statutes or at common law.

History: L. 1995, ch. 170, § 10; July 1.
