

2021 Kansas Statutes

78-112. Individual sureties; execution before officer. That, whenever any bond, stipulation or undertaking given to any county, township, school district, city or other municipal corporation for the security of any deposit of public money or performance of any public contract, shall be signed by two or more individual sureties, said bond shall be signed by such sureties before an officer authorized to take acknowledgments, who shall subscribe to the fact that said bond was signed by such sureties in his or her presence.

History: L. 1933, ch. 163, § 1; June 5.
