

2021 Kansas Statutes

82a-768. Application of law relating to abandonment of water right. Depositing a water right in a water bank or placement of water in a safe deposit account in a water bank shall constitute due and sufficient cause pursuant to K.S.A. 82a-718, and amendments thereto, for failure to use water for a lawful, beneficial use for the term of the deposit or the placement.

History: L. 2001, ch. 160, § 8; July 1.
