

2021 Kansas Statutes

82a-1409. Suspension or revocation of license; grounds; hearing. Any license issued under this act may be suspended or revoked by the director after notice and opportunity for hearing in accordance with the provisions of Kansas administrative procedure act, when the licensee (1) is found to have engaged in any activity prohibited by or under this act, (2) has practiced fraud or deceit in obtaining a license, (3) has been negligent or guilty of incompetence in engaging in any weather modification activity or (4) has violated any requirement of this act. In addition to the director, any interested person may make a formal complaint to the director against any licensee. All formal complaints shall be in writing, shall be signed by the complainant, and shall specify the charges against the licensee.
