Dear Committee,

I am writing to offer support for HB 2044, otherwise known as The Crown Act .I support this legislation because people need to stop getting discriminated against for expressing themselves with their hair. Discrimination shouldn't be a thing in this generation because it's not fair or right if people are losing opportunities because of their hair style.

I am a senior at Wyandotte High School. I believe our diverse students are the greatest resource this state has to build a bright future. We want you to support this bill.

Sincerely,

Emanuel Rodriguez Borjas
