

Journal of the Senate

THIRD DAY

SENATE CHAMBER, TOPEKA, KANSAS
Wednesday, January 12, 2011 — 2:30 p.m.

President Morris introduced as guest chaplain, Pastor Larry Latham, West Ridge Baptist Church, Topeka, who delivered the invocation.

Our Heavenly Father, Who misses no affair, we come before You in a spirit of humility. We know that we have little control over the circumstances in this world. That's why we must pray for our country, for our state and for our city.

We pray for our great country, the United State of America, that You will lead its people to instruct its government in ways that will bring Your blessing upon it.

We pray for our great state of Kansas, that You will lead its people to instruct their elected officials in ways that will bring Your blessing upon it.

We pray for our great city of Topeka, that You will lead its people to instruct their elected officials in ways that will bring Your blessing upon it.

Our country, our state and our city, needs Your help to mend fractured families, broken infrastructures, financial indebtedness, and unemployment.

Our country, our state and our city, needs Your help to mend bodies, hearts and minds from crimes of the utmost evil nature.

Our country, our state and our city needs You help to mend the spirit of man by the Spirit of God, for the will of God.

May our meager words, to an all-sufficient God, re-verb back to the heart of man revealing truth in its purest form.

May those who have an ear hear the truth, and without fear, stand in its testimony, boldly proclaiming all that they hear.

It is in this manner by which our great nation, our great state and our great city will be blessed.

Our Heavenly Father, Who misses no affair, we come before You in a spirit of humility. We ask for your intervention, that You might impart to us a small portion of Your will; And might we use it to build a great nation, a great state and a great city.

In our Great Savior's Name,
AMEN
