

2012 Kansas Statutes

12-2704. Contracts for management and operation; reports. The joint waterworks system may be managed and operated by a joint operating agency or by one of the contracting municipalities or corporations as the contracting municipalities and corporations shall provide. Any such agreement made shall provide for periodic reports of operations and finances to the participating municipalities and corporations.

History: L. 1955, ch. 87, § 4; April 14.
