

2012 Kansas Statutes

13-14,105. Same; credit for prior years' service. All elective and appointive officers and employees of cities of the first class, coming under provisions of this act, shall be credited with the number of years of service with said city prior to the taking effect of this act in determining their eligibility to receiving any pension provided for by the terms of this act.

History: L. 1939, ch. 121, § 9; April 10.
