

2012 Kansas Statutes

13-3102. Same; exercise of authority by city. Such city so authorized to invoke the authority provided for in this act may engage in the business of transportation of passengers and property within the city and its surrounding territory by whatever means it may decide, and may acquire motor buses and other equipment, reasonably required for carrying on such a business. Such city may acquire land and construct, equip and furnish buildings thereon for the operation, maintenance, modification, repair and storage of any buses, trucks or other equipment of such transit systems.

History: L. 1965, ch. 123, § 2; May 15.
