

2012 Kansas Statutes

80-1115. Same; adoption of budget and levy of taxes prior to effective date for tax purposes.

Whenever the disorganization of any township shall take effect for the purpose of taxation on the last day of December following such disorganization, the township board of the township to which such territory is attached shall, if the disorganization of such township shall become effective for other than tax purposes prior to the time fixed for the adoption of the budget of such township, adopt a budget and provide for the levy of taxes throughout the area of the township as it will exist on January 1, next following the adoption of such budget.

History: L. 1969, ch. 471, § 6; April 25.
