Chairperson Landwehr called for a meeting at the rail to discuss the need to reopen **HB2702 - Excepted acts and reciprocity concerning the practice of dentistry**. This bill was passed out of committee on February 25, 2008 and asked to be placed on the consent calendar. There is not enough time to work this through the calendar. Representative Morrison made the motion to pass the bill favorably out of committee. Representative Mast seconded the motion. There were no questions or discussion. The motion carried.

Chairperson Landwehr said she has assigned a sub-committee to work on **HB2934 - Health care reform act of 2008**. Representative Colyer will chair this committee with Representative Mast, Crum, Patton, Holland, Tietz and Neighbor. They will meet at 1:30 p.m. next week on Wednesday and Thursday and at least one day the following week. Chairperson Landwehr stated they will be working on major issues for our committee and she suggested everyone attend.

Chair Landwehr asked everyone to get their attendance recorded.

The meeting was adjourned at 4:22 p.m.
