

48-1302. Declaration of policy. The legislature declares: (1) That recent technological developments make possible an enemy attack of unprecedented destructiveness, which may result in the death or inability to act of a large proportion of the membership of the legislature; (2) that to conform in time of attack to existing legal requirements pertaining to the legislature would be impracticable, would admit of undue delay, and would jeopardize continuity of operation of a legally constituted legislature; and (3) that it is therefore necessary to adopt special provisions as hereinafter set out for the effective operation of the legislature.
