

59-6a214. Protection of payors and other third parties. (a) Although under K.S.A. 59-6a205 a payment, item of property, or other benefit is included in the decedent's nonprobate transfers to others, a payor or other third party is not liable for having made a payment or transferred an item of property or other benefit to a beneficiary designated in a governing instrument, or for having taken any other action in good faith reliance on the validity of a governing instrument, upon request and satisfactory proof of the decedent's death, before the payor or other third party received written notice from the surviving spouse or spouse's representative of an intention to file a petition for the elective share or that a petition for the elective share has been filed. A payor or other third party is liable for payments made or other actions taken after the payor or other third party received written notice of an intention to file a petition for the elective share or that a petition for the elective share has been filed.

(b) The written notice of intention to file a petition for the elective share or that a petition for the elective share has been filed must be mailed to the payor's or other third party's main office or home by registered or certified mail, return receipt requested, or served upon the payor or other third party in the same manner as a summons in a civil action. Upon receipt of written notice of intention to file a petition for the elective share or that a petition for the elective share has been filed, a payor or other third party may pay any amount owed or transfer or deposit any item of property held by it to or with the court having jurisdiction of the probate proceedings relating to the decedent's estate, or if no proceedings have been commenced, to or with the court having jurisdiction of probate proceedings relating to decedents' estates located in the county of the decedent's residence. The court shall hold the funds or item of property and, upon its determination under subsection (d) of K.S.A. 59-6a211, shall order disbursement in accordance with the determination. If no petition is filed in the court within the specified time under subsection (a) of K.S.A. 59-6a211 or, if filed, the demand for an elective share is withdrawn under subsection (c) of K.S.A. 59-6a211, the court shall order disbursement to the designated beneficiary. Payments or transfers to the court or deposits made to the court discharge the payor or other third party from all claims for value of amounts so paid or the value of property so transferred or deposited.

(c) Upon petition to the district court by the beneficiary designated in a governing instrument, the court may order that all or part of the property be paid to the beneficiary in an amount and subject to conditions consistent with chapter 59 of the Kansas Statutes Annotated, and amendments thereto.
