

Porubsky Deli and Tavern

508 Sardou

Topeka, KS

To Whom it may Concern,

This letter is in support of the Polka to be the Official State Dance of Kansas. Porubsky's is famous for its Chili, Sandwiches, and Hot Pickles. We are a loval Hot Spot for the Kansas Legislature, Governors, influential businesses and general Topeka Community to come and eat and enjoy conversations concerning the history of Topeka. We have been honored to have our cold cuts to be at thousands of Polka Wedding dances through the last 6 decades.

The Polka has been a huge part of the German/Russian Community in Kansas!

We support the endeavor of the Moravan Lodge #128 to get "The Polka" to be the official dance of the State of Kansas.

Sincerely,

Charles Porubsky, Jr.
